on P. 104 - a doubt - In the opinion of the
Inventor, however, the pay that each of
the present Shamshogs get is not
sufficient to attract really capable
men. It is not however clear whether
the present men are not hereditary
Shamshogs & whether the low pay they
get is not consistent with the tenure
of their office.

2 Orders are solicited as to whether
information on this point may be called

the latter case, P. II may perhaps be
considered as involving an alteration of
the existing scale of Establishment -

we need not raise inconvenient questions... These municipal shambhags should be treated as stipendiaries. If they have any hereditary claims the same may be left to be dealt with by the Dy Commr. There is a separate agency for buying cotton. What is the amount of revenue (monatarfa) for which the shambag would be responsible? Do other similar municipalities employ so high paid a man for collecting monatarfa alone?

The monatarfa revenue of the Chikmagalur Municipality comes to about Rs 6489 a year. In the municipalities of Kolar, Tumkur, Hassan, Davanagere and Chitaldrug, the collection of monatarfa is done by Patel & Shambhag on commission which is generally 5 per cent on the collections made by them. To

His Highness the Maharaja of Mysore,
General and Revenue Departments, Bangalore.

sir,

I have the honor to state that, there are at present 2 shanbhogues for the collection of Mohatarfa taxes in Chikmagalur Municipality, one on Rs 10/- and the other on Rs 6/- per mensem. The Vice President of Chikmagalur Municipality reported that the work turned out by these Shanbhogues was not at all satisfactory and that it was not found possible to replace them by more capable and competent men with necessary educational -- qualifications as the pay of each of the Shanbhogues was not sufficiently attractive, and he consequently suggested the desirability of replacing both of them by a single capable and willing Shanbhogue for the town on a pay of Rs 15-1-20

2. The matter was placed for consideration before the Municipal Council of Chikmagalur at their meeting held on 30th March 1911, and it was resolved by the Board that, considering the indifferent work turned out by the present Shanbhogues and the difficulty of replacing them on their present pay, it was desirable, as conducive to greater efficiency, to have a single Shanbhogue on a pay of Rs 16/- which is the amount paid to the present two Shanbhogues, and that a security of Rs.200/- may be taken

from the Shamshogue so appointed.

3. Copy of the Board's resolution is herein enclosed.

4 In these circumstances, I beg to request that sanction of Government may be kindly obtained to the above proposal, which while involving no additional expenditure, is expected to conduce to greater efficiency in collection and other work pertaining to the Municipality

I have the honor to be,

Sir,

Your Most Obedient Servant,

desirability of having a capable
Shamboque for the Town on a pay of

Resolution

The Board is of opinion
that, considering the indifferent work
turned out by the present Shamboques
and the difficulty of replacing them on
their present pay it is desirable as -
conducting to greater efficiency to have a
single Shamboque on the combined pay
Rs (16) of both the present Shamboques

The Board is also of opinion that a security
of Rs 200/- may be taken from the Shamboque
